Subject:	FY25 Proposed Schedule of Fees

Staff has prepared a presentation and discussion of proposed changes for consideration by Board of Aldermen as a part of the FY2025 Proposed Schedule of Fees process. The fee changes are grouped by City Department in this staff report and will include a presentation to the Board. Unless otherwise stated, approval of these fees would include the implementation of the fees on November 1, 2024, in conjunction with the new 2025 fiscal year. A complete schedule of all fees accompanies this staff report.

Administration – Proposed Fee Changes

Current occupational license fees are on a sliding scale based on annual gross receipts. Annual gross receipts of \$0 to \$100,000 the fee is \$50.00 per license. Annual gross receipts of \$100,000.01 to \$150,000 the fee is \$75.00 per license. Annual gross receipts of \$150,000.01 and over the fee is \$100.00 per license. Staff proposes a flat rate of \$75.00 per license regardless of the annual gross receipts. This change makes for a simple fee structure and staff time remains the same no matter what the annual gross receipts are.

Police Department – Proposed Fee Changes

The Police Department is proposing an additional fee for Sergeant Hourly Services. This fee would be required for any event requiring 5 or more officers and be subject to a 4-hour minimum, except for school districts. The fee for the Sergeant would be \$80.00 per hour. This required fee would assist in officer organization at larger events.

Development Department – Proposed Fee Changes

The Development Department added a zoning section to the schedule of fees. The zoning fees listed have been charged historically but not listed in the schedule of fees. The four fees are rezoning (residential) at \$250.00, rezoning (all others) at \$250.00, site plan review application at \$250.00, and conditional use permit, at \$500.00 plus individual projection requirements.

Minor Plats and Single-Phase Subdivisions have been moved and listed under the heading Multiphase Subdivisions. After review of staff time required to process, Minor Plats fee of \$25.00 is proposed to increase to \$35.00. Single-Phase Subdivisions is proposed to increase from \$350.00 plus \$2.00 / Lot to a flat \$500.00 fee.

Parks & Recreation – Proposed Fee Changes

Parks & Recreation staff are proposing changes to both youth and adult program fees. Under youth program fees, a little hoopster league has been requested at \$55.00 per child. Under adult program fees, pickle ball and adult non-sport programming are requested with the fees set on an annual basis. Fees to be removed under adult program fees are all four mileage lengths of the gravel grinder bike race. The final addition that has previously been offered but not listed, is the city employee rental of both facilities and programs at a 50% discount plus the required deposit (if applicable).

Finance – Proposed Fee Changes

The only addition that has previously been charged but not listed in the schedule of fees, is the online credit card processing fee, which is 2.50% plus an additional \$1.25 convenience fee.

Public Works – Proposed Fee Changes

Under Other Impact/Connection Fees, the City is proposing a Stonebridge Connection Fee of \$3,900 per GPM, with no additional impact fees. This connection fee is due to the extra lots that are feeding into the system.

Propose adding “Deposit” after Utility Billing Services to properly reflect the schedule of fees section regarding utility deposits.

The addition of “Sump Pump” is proposed in the Stormwater Service Charge. This extra description helps clarify this charge.

Green for Life

The City contracts with Green for Life (GFL) to provide trash service to residents. The City signed the contract with GFL on November 1, 2021, and the agreement outlines that the contract will terminate on October 31, 2026. Unless notice of termination is received prior to February 1, 2026, the agreement will be renewed on an annual basis.

As established in the agreement, the annual increases shall not exceed the Consumer Price Index for all Urban Consumers (CPI-U) for garbage and trash collection, which was 3.8% as of June 2024. Verified Head of Household Utility customers ages sixty-five and over who have been approved by the City will be eligible for a 15% monthly rate reduction.

The following bullets comprise GFL’s scope of services:

- Weekly Curbside Trash and Recycling Pick-Up
- Yard Waste Collection
- Two Bulky Item Collections Per Year

- Customer Services
- Commercial Cardboard Recycling Container (Located in Downtown Smithville)
 - Two additional sites have been agreed on, locations to be determined
- Annual Paper Shredding and Electronics Waste Event

For services beginning November 1, 2024, the City has received a proposed contract rate of \$20.50 per month (3.64% increase), up from the current contracted rate of \$19.78 per month. Staff are proposing the Regular Trash Rate charge be \$21.07 per month (4.51% increase). This rate difference of \$0.57 between the City's cost and customer's cost funds the City's participation in the MARC Regional for Household Hazardous Waste program. Residents can visit any of the mobile events in the region as well as the two permanent facilities year-round at no additional cost. Senior Discount is a 15% discount from the Regular Trash Rate, taking the Senior Trash Rate to \$17.91.
