

City Administrator's Report

July 31, 2025

Vehicle Inventory Prior to Implementation of Leasing Program

At the July 15 work session, the Board requested information on the condition of the City's vehicle fleet prior to implementation of the Lease Program with Enterprise. Attached is a summary of the vehicle and equipment fleet, completed by staff in 2020 as part of the leasing program review.

DirectionFinder Citizen Survey Update

The City plans to partner with the ETC Institute this fall to conduct the 2025 Citizen Survey. This survey will gather resident feedback on satisfaction with City services, community priorities, and areas needing improvement. Results are expected in early 2026 and will help guide planning and resource allocation. The ETC Institute previously worked with the City of Smithville in 2019 and 2022 to survey residents. Data from this year's survey will be compared to past results to track progress and identify areas for continued improvement. Funding for the survey is included in the FY25 Budget and falls within the City Administrator's purchasing authority. More updates will be provided as we progress through the planning stages.

Commercial Avenue Sidewalk Update

Construction of Commercial Avenue sidewalks is actively moving forward. Sidewalks have been poured from Smithville High School north to Hospital Drive. All sidewalks in front of the high school are planned to be finished before the start of school on August 19, 2025. Excavation of a retaining wall at Commercial and Summit Street began July 30, 2025. Expect minor traffic delays.

City Hall, Meeting and Other Schedule Items

Citizen's Academy kick off picnic on August 11 starting at 5:30pm at the Smithville Senior Center. The Board is encouraged to attend to welcome our new class!

City Hall will be closed on September 1 in observance of the Labor Day Holiday. The September 2 Board of Aldermen Meeting has been cancelled due to the Labor Day Holiday. The September 16 meeting has been moved to September 23 to allow Board and staff members to attend the Missouri Municipal League Annual Conference.

The Fall Bulky Item Curbside Pickup week has been identified for the week of September 29 through October 3. This information may be found on the City's website.

Fleet & Equipment List 2020 - Prior To Enterprise Fleet

Department	Year	Manufacturer	Model	Mileage	Condition (Good, Bad, Fair)
Streets	1991	Chevrolet	3/4 ton 4x4	Unknown	Fair
