VALUATION OF PROPOSED WORK (DO NOT INCLUDE COST OF LABOR): _____	
POOL SIZE: _____	ABOVE OR BELOW GROUND: _____

- Bonding inspection (Pool must be bonded in compliance of Section E4204 of the 2018 International Residential Code)
- Structural inspection
- Final inspection

INSTALLATION OF POOLS AND BARRIER MUST COMPLY WITH ALL CODE REQUIREMENTS, INCLUDING, BUT NOT LIMITED TO THE FOLLOWING:

- Side and rear setbacks from property line.
- Top of barrier is at least 48 inches above grade.
- Clearance less than 2 inches between grade and the bottom of the barrier.
- When the barrier is mounted on the top of the pool, there shall be a maximum clearance of 4 inches between the top of the pool structure and the bottom of the barrier.
- All openings in the barrier do not allow passage of a 4-inch sphere.
- Horizontal members of a fence used as a barrier shall be located on the pool side of the fence.
- Vertical members of a fence and decorative cutouts in a fence shall be no greater than 1.75 inches. For fences exceeding 45 inches in height, the vertical members can be spaced up to 4 inches apart.
- Maximum mesh size for chain link fences and fences with diagonal members such as lattice shall not exceed 1.25 inches.
- Access gates shall have a self-latching device.
- If the release mechanism for the self-latching device is located less than 54 inches from the bottom of the gate, then:
 - The release mechanism shall be located on the pool side of the gate at least 3 inches from the top.
 - There shall be no opening greater than 0.5 inches on the gate or barrier within 18 inches of the release mechanism.
- If a wall of the dwelling serves as a barrier, then:
 - The pool shall have a compliant powered safety cover; or
 - All doors with direct access to the pool shall be equipped with a compliant alarm.
- If the pool structure is used as a barrier or the barrier is mounted on top of the pool, then:
 - The ladder or steps shall be capable of being secured, locked or removed, or
 - The ladder or steps shall also be surrounded by a barrier with no openings that can allow passage of a 4-inch sphere.

POOL ACKNOWLEDGEMENT

By signing this permit application, we hereby acknowledge that we have been informed of the Swimming Pool Code requirements. We understand that it is illegal to occupy the swimming pool until any barrier, alarm, bonding or other safety measures required by the code are installed, or before all inspections have been made by the City.

I hereby certify that I am the owner of record of the named property, or that the proposed work is authorized by the owner of record and that I have been authorized by the owner to make this application as his authorized agent and I agree to conform to all applicable laws of this jurisdiction. In addition, if a permit for work described in this application is issued, I certify that the code official or the code official's authorized representative shall have the authority to enter areas covered by such permit at any reasonable hour to enforce the provisions of the code(s) applicable to such permit.
