## **REPORTS FROM OFFICERS AND STANDING COMMITTEES**

### **4. Committee Reports**

Alderman Russell reported on the November 8 Finance Committee meeting. They reviewed vendor payments in excess of \$7,500, they reviewed bank reconciliation updates and outstanding checks. They reviewed the interest rate on the cash balance and previewed the unreconciled FY2022 budget recap.

Alderman Chevalier reported on the November 8 Planning and Zoning Commission meeting. They discussed the fencing codes and suggested changes. Jack Hendrix will provide a draft of the changes to the fencing codes and bring it back to the commission for review at the next meeting. Once it is approved by the Planning and Zoning Commission it will be brought forward to the Board of Aldermen.

## **5. City Administrator's Report**

Cynthia noted that outlined in her report in the packet was recommended changes relating to hydrant meters and unless the Board had concerns or questions, staff would like to bring that policy forward for Board action at the next meeting. Cynthia noted if the Board had additional questions or want to review the topic we can schedule a work session.

She explained that this will help staff be able to keep better track of the inventory, but it will also help the City recoup some cost in providing this service for developers and contactors.

Cynthia noted if the Board is good with the changes staff will bring it forward on the December 6 agenda.

Cynthia noted that another future agenda item in the report was concerning stormwater enforcement. Staff has outlined the plan for Board action that will be required to keep us compliant as we move through the development of the Stormwater Master Plan and state permitting requirements and also included was the outlined information for the public information process.
