

## Board of Aldermen Request for Action

**MEETING DATE:** 2/7/2023

**DEPARTMENT:** Police Department

**AGENDA ITEM:** Resolution 1175 - Purchase of updated Mobile Data Terminals for patrol vehicles

---

**REQUESTED BOARD ACTION:**

A motion to approve Resolution 1175, to purchase four replacement Mobile Data Terminals for police vehicles in an amount not to exceed \$10,456.48.

**SUMMARY:**

This purchase was approved at the November 1, 2022, Board meeting. Once the order was placed the manufacture advised that units with those specifications are no longer available. These are comparable units.

The Smithville Police Department has used Mobile Data Terminals in patrol vehicles since 2018. These terminals are used in a patrol capacity as a link to Platte County Dispatch, the Records Management System, Criminal Justice Databases, and electronic ticketing software on a daily basis.

These replacement Mobile Data Terminals are part of an equipment replacement program and will use existing mounting hardware and maintain uniformity from vehicle to vehicle. This removes the need to purchase additional, different mounting hardware.

Staff propose using the contract 081418-CDW between Sourcewell and CDW-Government.
