

City of Smithville, Missouri
Parks and Recreation Committee Minutes
September 28, 2023
6:00 PM
Smithville City Hall Board Room

1. Call to Order

Dani called the meeting to order at 6:15 pm. Parks and Recreation Committee Members present were Dani Wilson, Jeremiah Bloemker, Kyle Squires, and Mayor Boley. Staff present was Matt Denton

2. Approval of Minutes from the August 24, 2023, Parks and Recreation Committee Meeting

Kyle made a motion to approve minutes from the August 24, 2024, Parks and Recreation Meeting. Jeremiah seconded. Voice Vote, all ayes

3. Staff Report

Haunted Campground:

October 21, 2023, is the date for Haunted Campground. Vendor registration is scheduled to close on October 1. By moving the vendors to the practice football field area, we can expand the number of vendors from 25-35.

As a reminder, we will be lining food trucks along the road outside the campground. We will also be upgrading the lighting for the event for safety

Main Street Water Fountains:

At last month's meeting, it was announced that over the past two years, Parks Maintenance staff have been dealing with reports of concerns with the water fountains along the Main Street Trail not turning off. Our department has been working with Lexington Plumbing to help solve the issue. Earlier this summer it was told to us that 6 valves between the two fountains broke, costing a total of \$9,000 for the parts plus labor. Over the past couple of months, we have been looking into alternative options and plan to purchase new water fountains that will be more reliable and recommended by Lexington

On Tuesday, September 19, the Board of Alderman approved the purchase of two water fountains that cost just over 9,000. The new water fountains will obtain the same features as the current ones.

Playground Resurfacing:

Next Generation Recreation has been working at Smith's Fork Park Playground over the past couple of weeks. They have been at that location longer than expected due to a manufacturing issue that was out of their control. This has been resolved and will be completed with Smith's Fork Playground by this weekend. Immediately after, they will move over to Heritage Park Playground.

Senior Center grant

Earlier this year the Mayor asked Alderman Wilson and Russell to form a committee to discuss Community Center needs and how the City can better serve Senior Citizens within the community. During the meetings, the need was discovered that a dedicated staff member to help senior citizens would be beneficial. After a discussion with Clay County Senior Services, we were encouraged to increase our 2024 grant ask for the Smithville Senior Center for a Part-Time staff member to assist in

all management, administrative, and operational functions for older adults and Smithville Senior Center. This position would be under the supervision of the Parks and Recreation Department.

On September 25, 2023, it was announced that Cay County Senior Services approved our grant for the PT Senior Center Coordinator effective January 1, 2024.

Recreation Report:

Sports

- Fall Soccer games began 9/9
- T-ball teams will begin on 9/29
- Little Kickers began 9/9
- Volleyball games began 9/13
- Winter sports registration opens on 10/1

Other Announcements

We are currently hiring for part-time Program Instructors. Seeking instructors with special skills or hobbies willing to teach others. Programs could include painting, guided hikes, dance lessons, sign language, cooking, tennis, pickleball lessons, etc. For more information, view the job description and duties at <https://bit.ly/3ZYEJcg>

4. **KCMPRDA Boards and Commissions Baquet**

Matt mentioned that he is currently the Chair of the Kansas City Metro Parks and Recreation Director Association Chair. This association is to provide a forum for the exchange of ideas, experiences, and information that is relevant to the parks and recreation industry in the Kansas City metropolitan area. Meetings are comprised of Parks and Recreation Directors, Assistant Directors, and other support staff.

Every other year the association puts on a banquet to honor and showcase all the great work our Park Boards and Commissions do throughout the year. The last banquet was in 2019 and we are excited to get it back going again this year.

On November 17, 2023, at 6:00 PM we will be hosting the banquet at UMB Field Club at Children's Mercy Park. The City of Smithville will be purchasing a table or two and I would like to extend an invitation to each of you to attend.

He asked the committee to RSVP and let him know if you plan to attend and bring a guest.

5. Emerald Ridge Park Design Discussion:

Matt mentioned that year three of the Parks and Recreation Master is to update Emerald Ridge Park. This park is located on South Commercial and Kelly Dr. behind Victory Chevrolet and Heritage Tractor. The park does not have ADA access and the playground equipment is not passing inspections. \$450,000 was budgeted for the improvements in the FY24 budget.

Matt is looking for feedback from the committee to send back to the companies before having a public forum with the community:

Landworks Overall Park Concept Design:

Athco:

ART APPROVAL

PLEASE REVIEW
AND APPROVE
THE FOLLOWING:

Color, Verbiage, Layout/size, and Overall Graphic.
I verify that I own or otherwise possess all necessary
rights with respect to the user-submitted images,
and that the user-submitted images do not infringe,
misappropriate, use without authorization, disclose
without authorization, or otherwise violate any
copyright, trademark, trade secret, other intellectual
property right, or a property right of any third party.

This approval confirms all major design work has
been completed and accurately reflects the direction
specified. This rendering remains a conceptual
approximation as custom products are subject to
final engineering including, but not limited to,
hardware placement and minor changes related to
standards and manufacturing capabilities. Each
change following this approval will require a
change order and impact the delivery date.

Matt went over Athco's design. He mentioned that it is a car theme with a pour-n-place surface. They followed the simplicity and inclusive design as requested by this committee. He mentioned the shelter and basketball court are still included, but the feedback they needed for the playground. The cost is still being worked out. Matt reminded the Committee that we are in no rush and to make sure they recommend what they want so we can cut costs later. The mayor mentioned he liked the design. If he had to cut anything it would be the carwash piece. Dani likes the climbing design. She does feel it is missing small interaction plates and equipment for the little kids. The mayor mentioned we could add some mounds. Matt mentioned that the staff would like to stay away from rockers due to the damage they take from older kids playing on them. Kyle asked how to get up to the slide. Matt mentioned there are inverted steps up to the top. Jerimiah asked about lighting for the park. Matt mentioned there would be some lights on the shelters to provide safety for the park. Dani asked about a dedicated Handicap space for loading and unloading. Matt mentioned that it is planned for a dedicated spot.

Kompan:

Letter from Kompan:

Design Changes

- *The Change was made to move from the automotive theme to standard equipment.*
- *This change better utilizes the space and budget.*
- *The inclusive swing had been a major topic for this site. I have chosen not to add this option to the site. As a parent of 2 kids with special needs and an amputee ex-wife, I understand the frustration of not having the resources for the children.*
 - *The Challenges with the swing at Emerald Ridge*
 - *This site has no dedicated parking lot to load and unload a child in a wheelchair.*
 - *The site size doesn't allow for other inclusive play items. Making this the only piece for kids in wheelchairs other than the trail. Smithville has a lot of great trails with better access for wheelchairs.*
 - *Kompan will not install a wheelchair swing without a fence, per guidelines from ADA, CPSI, and KOMPAN insurance providers.*

Basket ballcourt

- *The proposal is for a half-court option.*
- *With a basketball and soccer goal*
- *Painted lines and all concert work inclined.*

- *The half-court option was discussed in the original meetings last October.*

Updated Pricing

- *In the pricing proposed in the Half court, the option for \$421,000 leaves about \$29,000 under the budget.*
- *There is an issue with the quote we received on the concrete work. I am in the process of rebinding the work.*
- *I believe I can complete the final project with a full-court option in the \$450,000 budget. I will not know for sure until Monday.*

Matt mentioned that both designs are still drafts and there is time to make changes. Dani mentioned she was disappointed that some of the items they asked for were left off. She liked the structure overall, but she would recommend getting rid of the rockers and adding more sensory plates under the structure. The Mayor mentioned that Boys and Girl Scouts could donate more sensory items later in the future. Kyle mentioned that the soccer goal is too close to the basketball court. He asked if he would be able to move it to the other side of the basketball court became half-court. Matt mentioned that if Kompan cannot provide a swing, they could look at a play area with ramp access. Dani mentioned that she does not want a swing in a fenced-in area.

Matt mentioned that he would bring it back to the committee in October for more feedback after sending their feedback to companies. Soon after he would like to get public comment. After that is completed, he would like to make a recommendation to the Board of Alderman early in 2024. Dani and the Mayor discussed some different ways to gather public comment. Depending on the date and weather, we could set up around Halloween.

6. New Business

The Mayor provided an update on Senior Citizen and Community Center panels. He mentioned that the Committee could join those discussions.

7. Adjourn

The mayor moved to adjourn the meeting at 7:25 PM. Kyle seconded. All aye
