

City of Smithville

2020 Yard Waste Schedule & Guidelines

5 paper bags or 18" x 36" bundles each pickup April to October
10 paper bags or 18" x 36" bundles each pickup November to March
There will be NO PICKUP on Gray Weeks
You must call the City of Smithville and sign up for yard waste collection.

Thank you for choosing Compost Connection. We appreciate your business and look forward to another great year. These guidelines are provided for your reference.

Always have your bags at the curb by 7:00 a.m. There will be no service on the days shown in grey.
 Route Service begins at 7:00 and depending on volume and the number of trucks on your route the pickup time will vary week to week. Please make sure all items are easily accessible from the street.

We only pickup natural yard waste including grass, leaves, tree limbs, flower or garden plants (without their pots), walnuts, apples, Christmas trees (6' or less), etc.

All materials collected are taken to a licensed compost facility. This recycling facility does not allow for ANY trash, landscape, or construction materials. If bags contain trash or foreign material they will have to be left at the curb. Any plastic inside your bag will be considered trash and not picked up. We do NOT collect animal waste.

Please tie brush securely with rope or twine, not wire or plastic. Mark bundles of thorns for the driver's safety.

Christmas Trees are the only items that do not require bagging or bundling. We will accept Christmas trees up to 6' in length, if larger please cut in half. Each piece is considered one of your items.

Maximum item weight is 50 pounds. All items should be packaged in paper lawn waste bags or 18" x 36" bundles. We accept limbs up to 6" in diameter in the bundles or bags. This contract is not provided for large tree disposal. Please contact our office for assistance if you are over your weekly limit.

Do not use plastic tape on paper bags since it is not biodegradable. Small cardboard boxes may be used provided they are no larger than the size and weight limits. We suggest boxes for fruits, small brush, wood or items that would easily break a bag during removal. Please do not use cans for yard waste.
